HEADTEACHER: Mrs Gemma Martin

Monday 3rd February 2020

Dear Parents/Carers,

Our Pupil Parliament meet regularly to discuss ways in which they think we could improve our school. At a meeting last term the possibility of getting a school pet was discussed, with the purpose of developing responsibility and respect.

I agree with the children that this is a fantastic idea and we would like to move forward with this idea as soon as possible if it is viable.

We think that the best pet to start with would be a hamster due to the fact that it can be kept safely within the school building and hopefully families may be willing to look after the pet on a rota system over weekends and holidays.

Before we go ahead, we would like to ensure this is something people would like to be involved in. We would also like to double check that there are no relevant allergies (we do not currently hold any information that suggests a hamster would be a problem).

Please complete the slip below and return in mail bags so that we can make a final decision.

Kind regards,

Mrs Martin

.....

Name of Child:

Does your child have an allergy to hamsters? Yes/No (please delete as appropriate).

Would you be willing to look after a pet hamster over a weekend? Yes/No (please delete as appropriate).

Would you be willing to look after a pet hamster over a holiday period? Yes/No (please delete as appropriate).

Signed (Parent/Carer):.....
