Monday 24<sup>th</sup> May 2021

Dear Parents/Carers,

Further to the note on the newsletter last week, I write with information regarding a potential holiday club for our children during the summer holidays. We have been investigating possible ways of making this viable in response to parent interest.

Due to building work taking place in school during the summer holidays in preparation for our change of age, if it were to go ahead the club would be run using the village hall as a base.

The company we are liaising with is called Empower Active and they already successfully run similar provision in the Evesham area. It is anticipated that the holiday club would be multi-activity, to include: sports, arts and crafts and wellbeing activities.

The core hours of provision would be 8.30am to 4.30pm. Early drop off (8am) and late pick up (5.30pm) would be available for an additional charge. The cost would be between £20 and £25 per day for the core hours. The company have asked that children would need to sign up for a minimum of two consecutive days per week to fit in with their current COVID-19 risk assessments.

Before going any further, the company have asked us to seek expressions of interest so that they can get an idea of possible numbers and decide whether the project is viable for them.

Therefore, please complete the slip below accordingly and return it school by Friday 28<sup>th</sup> May if this is a provision that you would be interested in.

Thank you in anticipation. We will update you of the outcome following the half-term break.

Kind regards,

Mrs Martin
