

Introducing our new website

We are delighted to share our brand new Aspens Services website with you! We have a new brand identity, lots of movement in the design, a new colour palette and an improved customer experience. This new look and feel is all interspersed with our vision and values. Every person who visits the site will know who we are, what we stand for and why they should be one of our customers. Take a look and see what you think!

www.aspens-services.co.uk

Different look, same address, same values, same people and same commitment to catering for your needs. We hope that you like it as much as we do!

The launch of this new site comes with the launch of doing things a little differently - for the better.

Our new website is stage one of our IT upgrade for our stakeholders. We are in the process of building a brand new Select Payment System and an enhanced Aspens App.

In order to make these changes, with minimum disruption to users, we would like to update the catering information you have on your school site with new information, images and the latest menu cycle. This will replace the current Aspens link you may have and access to the current Aspens App. Any Select users can still access their payment platform via our new site.

The following pages are an example of ideally how we would like our update to look. We will provide you with the copy and images to help shape your catering page.

We are **always** in the mood for good food!

We are Aspens Services, a market leading contract catering company and we specialise in school food.

We only work in the education sector so we know what our customers want. Mixing this knowledge with an understanding of what's hot in the food world sparks creativity and excitement in our chefs. Our kitchens provide delicious home cooked food each day and cater for individual dietary requirements.

We don't just provide food, we play our part to educate children and raise awareness about nutrition, food and where it comes from, so that they can make informed and mindful choices. Feeding our future. Please see more at www.aspens-services.co.uk

Schools are the ideal place for children to start their food adventures so it's the best time to encourage healthy food habits.

We make sure that our Food Festival menus are packed with comfort dishes and, at the same time, we help pupils to take their first steps with new tastes to explore. We make the most of fruit and vegetables that are in season, because that's when they taste best and are the most planet friendly too.

Free school meals

All children in Reception, Year 1 and Year 2 are currently entitled to receive **UNIVERSAL FREE SCHOOL MEALS!** We think it's a fantastic idea so please make sure that you support this initiative. Not only will you be saving money but you will also be giving your child a nutritionally balanced meal to fuel their bodies for the rest of the learning day.

Please note that this is not to be confused with **FREE SCHOOL MEALS** that you may be entitled to for children in any year. Please request the relevant form from the school office or look at this website: <https://www.gov.uk/apply-free-school-meals>

Food Festival Menu

The menu rotates on a three-week basis and refreshes for Autumn/Winter and Spring/Summer seasons. Here's the current menu:

Special diets

Special diets are an integral part of our catering provision, whether as a result of an ethical or religious belief or a food intolerance or allergy. To register this as a requirement please complete and return the special diets form to the school as soon as possible.

Joining our team

It takes some pretty special people to make sure that we give our schoolchildren and young adults great food every day. We are keen to add to our teams with talented people and so if you are looking for an opportunity to challenge yourself and learn new skills, let us know.

To find out more, please visit our website.

Making **great** school food memories!
