Monday 7<sup>th</sup> February 2022

Dear Parents/Carers of KS2 children,

We are proposing to take children in KS2 (Years 3, 4 and 5) on a residential trip to Boundless Outdoor Centre in Malvern from Wednesday 20<sup>th</sup> July to Friday 22<sup>nd</sup> July 2022 (the last 3 days of term).

This trip is a one-off arrangement due to the transitional point that we are in with our change of age. Following this year, we will move to a rotation model that provides progression and variety of experience between upper and lower KS2. In academic year 2022-23, Years 5 and 6 will go to a new residential site and then in academic year 2023-24 Years 3 and 4 will go to Boundless in Malvern and so on. This year, we have agreed with Boundless that the Year 4 and 5 children will experience contrasting experiences and activities to those that they did last year.

It is anticipated that the inclusive cost for this residential visit will be approximately £200 to include transport, specialist instruction, board and lodging. **Please note that the cost is dependent upon the number of children attending and will be confirmed once this is known.**

The Centre website is very useful and provides further information about the types of activities that children may participate in during the visit: <https://boundlessoutdoors.co.uk/>

If your child would like to attend this trip, please complete the form attached and return it to the School Office by Friday 18<sup>th</sup> February.

Once we have confirmed numbers, we will write to you again with payment details and further information. Please note, an instalment payment arrangement will be provided. If anyone would like to discuss payment, please just let me know.

If you would like to discuss the trip further before making a decision, I would be very happy to meet with you.

Kind regards,

Mrs Martin
