UPPER KEY STAGE TWO RESIDENTIAL VISIT

Dear Parents/Carers,

I write with details of the proposed Upper Key Stage Two residential visit in Summer Term 2023.

As you are aware, we offer a residential visit to Boundless Outdoor Centre in Malvern for our children in Lower Key Stage Two. Now that we are a primary school, our aim is to offer a progressive and contrasting experience to the children in Upper Key Stage Two so that they can build upon prior learning.

As a result, we are proposing a two night, three day visit to Boundless Outdoor Centre in Bell Heath. Although very different in terms of location and setting, this site is a partner to Malvern and runs very similarly in terms of routines and processes. As a school, we are confident in their approach.

At Bell Heath, the children will get a very contrasting experience in two main ways. Firstly, the activities on offer will be different. Secondly, the accommodation is certainly very different – sleeping in bell tents in groups of 4 or 5 rather than traditional dormitories!

The proposed visit dates are 21st to 23rd June 2023. The total cost, including transport will be approximately £190.

At this stage, we need to know whether the visit is viable. Therefore, please could you complete the slip below and return it to school in your child's backpack by Friday 2nd December at the latest?

Kind regards,

Mrs Martin
