Monday 9<sup>th</sup> January 2023

### **INTERNATIONAL DAY**

Dear Parents and Carers,

On Monday 13<sup>th</sup> February will be celebrating International Day here at Himbleton. During the day, children will be travelling 'Around the World', visiting different countries, learning key facts about different countries and cultures.

Children are invited to come to school dressed in the colours of a flag from a country which you may have associations with, have visited or are interested in.

There will be a variety of different activities taking place throughout the day including: arts and crafts, dancing, languages, music and stories from other cultures.

We are inviting parents, carers and children to bring in food from different countries. Children will be asked as part of their home learning to research world cuisine and are encouraged to help in the preparation and labelling of their dish. This food will be available to buy after school in the UKS2 classroom on International Day. We ask that all food brought into school has a clearly labelled ingredients list for health and safety reasons and a description of where it is from in the world. All monies raised from the sale of the food will go towards our playground re-marking funds.

We are excited about the upcoming International Day and we believe it will be a fantastic and fun learning experience for the children.

Thank you for your support; if you have any further questions, please do not hesitate to get in touch.

Kind regards,

Mrs Beattie
