ONLINE SAFETY WORKSHOP

Dear Parents and Carers,

As part of our Teacher Education Day on Tuesday of last week, the staff team spent part of the morning working with Eve Johnston, a safeguarding professional, on the issue of online safety for our children and young people.

This area of safeguarding evolves quickly and constantly and it is important that, as staff and parents/carers, we are all as informed as possible about the risks that our children are exposed to and how we can best support them.

We would like to ask Eve to return to provide a parent/carer workshop. However, there is a cost associated with this and we want to be sure that there is an appetite for it before confirming the booking.

The workshop would run on a Thursday evening, from 6.30pm to 8pm. The date is to be confirmed but it would definitely be during the Spring Term. We also plan to build a social aspect into the evening (specifics to be confirmed!), so that it is an enjoyable evening for all as well as being informative.

As part of the planning process, please could you indicate whether or not you would be keen to attend (date allowing, of course) and return the slip to school via your child's book bag/backpack by Friday 13th January?

Thank you in anticipation.

Kind regards,

Mrs Martin

.....
Name of Child: Class:

Please tick the appropriate box:

I would be keen to attend the online safety workshop for parents/carers in the Spring Term.

I would not attend the online safety workshop.

Signed: (Parent/Carer)
