### **SCHOOL UNIFORM SURVEY**

Dear Parents/Carers,

As a school, we are always keen to seek the views of parents/carers when making key decisions.

The DfE state that school uniform should be as accessible as possible for all. We are very aware that the Himbleton uniform is quite unique and that elements of it could be deemed as quite expensive in comparison to some others.

The Pupil Support Committee of our governing body are currently considering how we move forward as positively as possible for everyone.

Therefore, as we plan for the future, we would really value your thoughts on this matter. Of course, there are likely to be range of different viewpoints but knowing what these are is so helpful.

We will use the feedback provided to analyse majority opinions and use this to inform next steps.

If you would like to share your views, please complete the attached survey and return it school via your child's book bag/backpack by Friday 20<sup>th</sup> January. As always, please do be as honest as possible so that we have an accurate baseline from which to work.

Thank you in anticipation.

Kind regards,

Mrs Martin

I think the school should have a uniform. <i>If you disagree with this statement, no further answers are required.</i>					
I am happy with the current school uniform at Himbleton.					
I think the school uniform at Himbleton requires revision.					
I like the fact that the school uniform includes items with the school logo.					
I think purchasing non-logo items should be an option.					
I like the inclusion of a shirt and tie in the uniform for all year groups.					
I think only pupils in KS2 should wear a shirt and tie.					
For girls, I like the inclusion of the unique tartan skirt and pinafore.					
For girls, I think tartan items should be replaced with plain items that are more readily available at a cheaper cost.					
I think uniform should be non-gender-specific, with all children able to wear any items from the uniform list (age-appropriate).					
I think that the school uniform is good value for money.					
I think that the pre-loved items available through Friends supports accessibility.
