LEVEL 2 BIKEABILITY

Dear Parents/Carers,

We are delighted to be able to offer our Year 5 and 6 children the valuable opportunity to participate in the Level 2 Bikeability course, provided through Worcestershire County Council, this term.

Attached is a detailed letter outlining exactly what is included as part of the course and what the expectations and requirements are, as well as a useful bike check prompt. Please do read these too.

The course is over 4 days and will take place on Monday 5th June, Tuesday 6th June, Wednesday 7th June and Thursday 8th June during the school day. The children will work in groups. The cost is subsidised and therefore the parent/contribution will be £10 per child. No child will be excluded for financial reasons; however, it is important to note that if not enough contributions are received then it may not be viable to run the course.

For planning purposes, please complete the slip below and return it to school by **Monday 24th April** to indicate whether you wish your child to participate. If you do wish your child to take part, please then complete the detailed Worcestershire County Council consent form and return it to school by **Friday 5th May**.

Kind regards,

Mrs Martin
