OUR VALUES THOUGHT FOR THE WEEK

'Courage is as simple as taking one more step than you thought you could take'.

EYFS

The children in EYFS will be learning all about things linked to sea creatures. They will be creating rainbow fish collages, making pizza fish and drawing 2d sea creature shaped pictures. If you have any boxes, plastic trays, bottles etc that may be suitable for junk modelling Mrs Beattie would love to have them!

KEY STAGE 1

As part of KS1's unit on enquiry the children have been learning how to look after their personal hygiene. They have 'brushed-up' their tooth care regime in line with NHS guidelines and next week they will be using their knowledge to write and share instructions.

LOWER KEYS STAGE 2

We have now received the various forms and information sheets for Bikeability which takes place on 26th June and these will be sent out next week. Please ensure that the consent forms are returned prior to half term.

UPPER KEY STAGE 2

Year 6 started their SATs this morning having been suitably fueled with pancakes, waffles, strawberries and toast! They were all in a very buoyant mood and seemed to quite enjoy the experience. Year 5 have adapted well to being taught in other parts of the school. Thank you all for being so mature and sensible.

Just a reminder that swimming starts on Thursday for Years 5 & 6.
