## OUR VALUES THOUGHT FOR THE WEEK

'Courage is as simple as taking one more step than you thought you could take'.

### EYFS

There was a buzz of excitement in EYFS this morning as the children took delivery of their new 'play kitchen'. We were very surprised how many children can crowd around a single piece of equipment! The children would like to say a massive thank you to Isabelle, Seb and Josh for donating the kitchen. Tomorrow Mrs. Swift is visiting the children to talk about her job as a vet. I am sure that the children will be asking lots of brilliant questions and they will perhaps be seeking treatments for some of their cuddly toys. Thank you Mrs. Swift for giving up your time to further enhance the children's learning experiences.

### LOWER KEYS STAGE 2

The children in Mrs Hedges' class are getting very excited about their Bell boating Trip on Thursday. Please double check the original letter to ensure the children are dressed appropriately and have drinks, lunch, snacks etc. The weather is turning warmer this week and there could be lots of sunshine on Thursday so sun hats/baseball caps and sunscreen will be vital. The children are expecting a visitor this week in the form of a 'Robot Dog', look out for pictures on DoJo.

### UPPER KEY STAGE 2

Year 6 will be undertaking their SATs next week. School will be providing a 'brain breakfast' to ensure that the children are fully prepared for the papers. Year 6 need to be in school between 8:15am and 8:30am. They should enjoy their weekend and should not worry about the tests as they have worked really hard and are ready to prove how brilliant they are. I would recommend having an early night on Sunday.
