Congratulations to our Weekly Award Winners

	EYFS	Key Stage 1	Lower Key Stage 2	Upper Key Stage 2
Outstanding Worker Award	Amelia	Charlie	Teddy	Thomas
Christian Value Award	Winnie	Jesse	Summer	Kerry-Ann

Art Day

This was held last Friday and was brilliant! The quality and range of work produced by the children was stunning and I know that all those parents who managed to view the 'gallery' in the afternoon were very impressed. A massive thank you to Mrs Rose who coordinated the event and to the rest of the staff for their enthusiasm and commitment on the day. Well done to the winners of the Art Competition in each class, it was almost impossible to choose because all the entries were so fabulous!

Year 4 Bikeability

This takes place next Monday and there are still a few spaces left. The children will need to bring their bikes to school in the morning in a good roadworthy condition and the children will obviously need a helmet.

SIAMS Inspection

This has been sent out to you all. I am sure you will all agree that it is fantastic and a well-deserved report that is truly representative of the school's Christian vision. A massive thank you to Mrs Hedges whose hard work and commitment to the school and its vision both on the day and throughout the run-up to the inspection were inspirational. The staff, and governors confidently and passionately articulated what it is like being part of our very special school; this permeates through the report. I would like to thank all the parents and carers for your continued support.

Diabetes Week

Last week Theon was wearing his diabetes awareness patch and mum, Jade, is taking part in a 500,000 step challenge this month to raise much needed funds for Diabetes UK. If any parents or carers would like to donate, please go to the JustGiving page for details. Good luck, Jade!

Week Commencing 17th June 2024
