KEY STAGE TWO PRODUCTION

Dear Parents/Carers of KS2 children,

The children are working hard to prepare their upcoming production of 'Treachery at Traitors' Quay' due to take place on Wednesday 17th July. Auditions have taken place, parts have been cast and songs are being sung!

UKS2 will take on the majority of the lead roles, with LKS2 supporting. All children contribute to the show and therefore it is important that all children are present at both performances. We ask that all children are back at the village hall for 5.45pm in readiness for the 6pm performance – we wanted to ensure that we give you advance notice of this.

Once again we have decided to use Himbleton Village Hall as the location for the production. This makes rehearsals during the school day manageable and allows us to utilise local facilities, working with our community.

For health and safety reasons, the village hall has a limited capacity. Therefore, we will need to operate a ticketing system to manage this appropriately.

Due to numbers, **in the first instance** tickets for the 2pm performance will be offered to LKS2 families (3 per family) and tickets for the 6pm performance will be offered to UKS2 families (3 per family). This is due to the UKS2 children having the majority of the key speaking parts. If you have a child in both classes, please tick the performance time that you would like to attend. EYFS and KS1 pupils will watch the dress rehearsal earlier in the week.

Please complete the attached slip and return it to school by Monday 8th July. This will enable us to gain an accurate picture of audience numbers and allocate requested tickets by the end of the week.

At that stage, if any tickets remain available, we will communicate this to you and make them available on a first come first served basis. We do fully understand that the necessary limits may be frustrating, but we hope that you will enjoy the performance and enjoy being part of the audience.

Kind regards,

Mr Nick Cale
